MEMORANDUM FOR: Deputy Director/Intelligence

SUBJECT: Draft Speech "The Soviet Union in World

1. In response to a request from your office, we have prepared the enclosed draft paper "The Soviet Union in World Trade" for your use in addressing the Foreign Committee of the Reserve City Bankers Association in Palm Beach, Florida, on 8 April 1957. Attached to this paper are two draft work sketches, which I understand you did not want reprinted in better style.

2. Although the enclosed paper seems bulky, a dry run took about 30 minutes.
